

AQUAVIVE HOUSEBOAT 1500

The Aquavive is a luxury houseboat designed for 4-6 people. It offers a spacious living room with a glass front that has access to a terrace with stunning water views. The open kitchen is fully equipped and there are three separate bedrooms, with the master bedroom having direct access to the (rear) terrace. The luxurious bathroom features a walk-in shower, bathroom cabinet and designer radiator.

With a focus on sustainability, the Aquavive is built of steel. The vessel has undergone extensive testing to ensure it can withstand various weather conditions. Thanks to its green character, it is low maintenance and very energy efficient in use.

This sailing water chalet offers maximum comfort on board with every imaginable feature. Moreover, the berth is available for acquisition.
