

JEANNEAU NC 14

NC14 by Jeaneau Build year 2014, First launched 2016 with two heads/showers, 2 x 370HP Volvo IPS complete Volvo service 2022 with only 390 hours.

Very little used by meticulous and careful owner; this NC14, already well specified as standard, and has many extras such as Hydraulic Platform, Webesto heating, Solar panel and inverter, Water maker, Deep freeze, Washer/Dryer, Generator, TV, Depth sounder, Radar, Plotter, Autopilot, VHF, CD player, Cockpit speakers, Bow thruster, Outside hot/cold shower . Covers for the outside sunbathing cushions with new cockpit tent and inside furnishings 2022 with exterior front window curtain.

The one level inside/outside space makes living aboard a joy; spacious and light with large electrically operated sunroof, three seating/lounging options (cockpit, main seating inside plus high level dinette on port side.) The main and guest cabins each have connecting electric heads with shower. The cave, which houses the washer/dryer and deep freeze as well as a large amount of storage space, makes this boat ideal for long cruising. The underwater ship design by Tony Castro resulted in a stable ride in sea conditions.

If Preferred, a video walk-through
