

PEDRO VLET 1060 OK

Step aboard the Pedro Vlet 1060 OK "Njord" and experience the timeless charm of a classic motor yacht with modern conveniences. This spacious punt, built by the renowned yard Pedro-Boot in Zuidbroek, immediately stands out because of its round bilge hull, which not only gives it a beautiful, classic appearance, but also ensures very stable and comfortable sailing.

The warm, teak-trimmed interior breathes quality and creates an atmospheric ambiance in which you will immediately feel at home. The spacious saloon with headroom of 2 meters, the comfortable sleeping quarters and the practical layout make this ship ideal for both short trips and longer cruising vacations.

The "Njord" is equipped with a reliable Volvo Penta diesel engine of 63 hp, a bow and stern thruster for easy maneuvering, and modern amenities such as heating, hot water, an induction stove and a solar panel. With a headroom of only 2.42 meters, a cruising area of unprecedented possibilities opens up: from the Frisian lakes to the canals in Utrecht or Amsterdam.

Whether you are looking for a solid boat for family vacations or a comfortable punt for relaxing weekends on the water - the Pedro Vlet 1060 OK offers you reliability, charm and unmatched sailing quality.

Be convinced by a viewing and discover for yourself why the "Njord" is a unique opportunity for the true lover of classic and solid boat craftsmanship.
