

INTERCRUISER 29

This recent Inter cruiser 29 is a delightful motor yacht for weekends or vacations on both inland waterways and the Wadden Sea. The classic look is nicely combined with modern equipment and low-maintenance materials, such as the Flexiteak deck. The Volvo Penta D3 engine with 110 hp provides enough power for smooth sailing or quiet cruising and the bow thruster makes maneuvering extra easy. With the convertible tent it is also possible to go out in less nice weather. The boat has several options such as a stern shower (cold and hot), hot air heating, an extra cooler drawer in the cockpit and an inverter.

This boat has always been well maintained and has been in a boathouse. The engine has only 530 engine hours.
