

VAN VOSSEN TENDER 850

This tender combines sleek lines with a solid finish, powerful performance and optimal comfort for leisurely trips or quick drives on the water. The maintenance-friendly aluminum construction and well thought-out layout make this the ideal sloop for both day trips and longer stays on board.

The Van Vossen 850 is known for its excellent sailing characteristics. The 140-hp Suzuki (2020) - neatly concealed in the bun - provides powerful, quiet and economical propulsion. Thanks to the V-hull and low consumption (only 2 liters/hour in normal use), you will enjoy economical and comfortable cruising. The boat can accommodate as many as 8 people and has 2 berths, ideal for an overnight stay on the water. In addition, this tender is equipped with a toilet under the spray hood.

The sleek, modern interior with gray upholstery and light design gives a luxurious feel. The presence of a bow thruster, Bluetooth audio, a bimini, outdoor cushions and a self-draining cockpit make this tender complete and user-friendly in all weather conditions.

Whether you are looking for a sporty sloop for fast cruising or a comfortable tender for relaxing weekends, this Van Vossen Tender 850 offers everything you are looking for - and more.
