

VAN WIJK 1030

Step aboard this beautiful Van Wijk 1030 and immediately experience the feeling of luxury, comfort and timeless class. This stylish motorboat, designed by Pieter Beeldsnijder and built by Van Wijk Maritiem, is known for its exceptional cruising characteristics, high-quality finish and elegant appearance. Whether you want relaxed cruising on inland waterways or longer trips, this boat offers everything you are looking for - and more.

What makes this Van Wijk 1030 truly special is the combination of classic lines with modern technology. Thanks to the powerful 260 hp Yanmar diesel engine, you sail smoothly and reliably, with a comfortable cruising speed and excellent maneuverability due to the bow and stern thrusters provided. The spacious center cockpit invites long days on the water with family and friends, while the warm, classic interior ensures a pleasant stay on board.

The boat has been visibly treated with care and is in very clean condition. The recently renewed upholstery and tent give it a fresh, luxurious look. In addition, the low engine hours ensure that you can expect years of carefree sailing pleasure. The clever layout and generous dimensions make this Van Wijk surprisingly spacious, with all the comforts you need, such as a complete kitchen, sanitary facilities and heating.

In short: a unique opportunity for those looking for quality, comfort and appearance in one ship. This Van Wijk 1030 is fully equipped and ready for new adventures on the

water. We warmly invite you to come and see this beautiful boat for yourself and experience the atmosphere and quality in person.
