

VERHOEVEN 1800

This very spacious Verhoeven 1800 from 2004 has been very well maintained and is in excellent condition. This ship is very spacious, making it ideal for long trips or even to stay on permanently. From the light and orderly wheelhouse, this Verhoeven is very easy to steer and thanks to the 2 engines of 225 hp each and bow and stern thrusters, the boat is extremely maneuverable. The folding doors ensure that the spacious aft deck (with new tent) and the wheelhouse merge seamlessly.

One floor below is the salon and a dinette with lots of light thanks to the large windows. At the front is a very generously equipped galley with corian countertops, fridge-freezer, 4-burner electric stove, dishwasher and combination oven. In the bow are the guest cabin with passage to the toilet room and a separate wet room.

At the rear of the ship is the spacious captain's cabin with a wet cell en suite as well as the third cabin.

The boat is equipped with double glazing, central heating, washing machine etc. Water boat is not included.
