

PRINS VAN ORANJE 700E (ELEKTRISCH)

The PVO 700E is an elegant lined, clinker-build sloop with a classic and authentic appearance. The complete, Dutch-build, boat is built with high-quality materials such as fiberglass, stainless steel, and Permateek which makes that the sloop needs little maintenance. The PVO 700E is standard fitted with a powerful electric engine which silently propels the boat for at least 6 hours.
