

RAPSODY 29 FT. OC-F

Step aboard the Rapsody 29 Ft. OC-F 'BlueSky' and experience how classic luxury meets modern comfort. This beautiful motorboat, designed by Vripack and built by Rapsody Yachts, exudes quality and style in every detail. Thanks to the high-quality finish with teak, varnished mahogany and stainless steel, every cruise feels like a special experience.

In 2023, the boat was completely re-varnished, making her truly look like new. The deep blue of the hull and the warm woodwork on deck and in the cockpit make her a sight to behold. Under the hood you will find the reliable 120 hp VW 5-cylinder diesel engine, known for its quiet running and smooth power - ideal for leisurely cruising as well as smooth trips up to 13 knots.

The interior exudes warmth and class, with a comfortable seating area, a compact galley and sleeping accommodation for two to four people. The well-thought-out layout, combined with a vertical clearance of only 1.75 meters and a draught of 65 cm, allows you to effortlessly explore the most beautiful inland waterways and urban canals. Thanks to the deep V-bottom, longer trips across the IJsselmeer or to the Wadden Islands are also no problem.
