

RAPSODY TENDER

The Rapsody Tender Demo is an elegant and spacious ship, built for speed and class. The underwater hull has been developed to sail not only quickly, but also safely and without spray. This, together with a strong Volvo Penta Diesel engine, ensures a top speed of 28 knots. The latest maritime technologies have been applied in the Rapsody Tender. For example, we worked closely with Volvo Penta to implement the new Battery Management System. With this system it is possible to make the boat completely ready for sailing by pressing the remote control. Also the interior of the Rapsody Tender has been given a lot of attention. For example, a spacious toilet has been placed in the steering console. Spacious sun beds can be created in the front and back of the Rapsody Tender and the Tender is equipped with a refrigerator and a barista coffee bar on board.

DETAILS

Brand / model	Rapsody Tender
Category	Motor yacht
Price	sold
L x W x D	9.05 m x 2.62 m x 0.65 m
Engine	220 hp Volvo Penta 5 cylinder diesel
Material	GRP
Year of construction	2022
