

GRAND SOLEIL 46 (SWAN)

Considered one of the yard's finest models, this beautiful Grand Soleil was designed by Swan architect Alain Jézéquel. The classic lines, with overhanging transom, flush deck and air hoods give this Grand Soleil a timeless look.

Thanks to the clever layout, this ship can accommodate 6 guests divided into three cabins with two wet rooms. This ship is very well maintained. A large part of the equipment has been renewed, all through-hull fittings and ball valves have been replaced, and hull + underwater hull have been provided with new gelcoat, antifouling and two-component paint system.
