

JAN VAN GENT 10.35 CABIN

The Jan van Gent 10.35 Cabin is known as one of the most stylish and timeless Dutch cabin sloops. With its distinctive classic lines, high-quality finish, and excellent handling, this sloop combines elegance with comfort. Whether you prefer relaxing day trips, long weekends on the water, or sporty sailing, this Jan van Gent offers everything you're looking for.

This exceptionally well-maintained 2007 model is in excellent condition and is equipped with a powerful 260 pk Yanmar six-cylinder turbo diesel engine. This generous engine delivers impressive performance, a smooth ride, and ample power to cruise comfortably and stably even at higher speeds. Thanks to the hydraulic steering, bow thruster, and sturdy round-bilge hull, the boat is also easy to maneuver, both on open water and in the harbor.

On board, you'll immediately experience the quality for which Jan van Gent is renowned. The spacious cockpit is finished with beautiful teak and offers plenty of seating for family and friends. The recently refurbished convertible top makes the boat exceptionally versatile: on sunny days, you can enjoy the open-air feel of a sloop, while in inclement weather, you can quickly transform the space into a comfortable, sheltered cockpit. This significantly extends the boating season.

Inside, the cabin features a warmly finished interior with sleeping accommodations for two people, a refrigerator, a toilet, and practical amenities for a comfortable stay on board. This makes this Jan van Gent not only ideal for delightful day trips but also for relaxing overnight stays on the water.

Are you looking for an exclusive cabin sloop with a timeless design, excellent build quality, and a powerful engine? Then this Jan van Gent 10.35 Cabin is definitely worth a look. Experience for yourself the comfort, space, and luxury this beautiful sloop has to offer. Feel free to contact us for more information or to schedule a viewing—you're most welcome.
