

MULDER SUPER FAVORITE 1070 CONVERTIBLE

Step aboard this beautiful Mulder Super Favorite 1070 Convertible and experience the perfect combination of classic elegance, high-quality Dutch yacht construction and modern comfort. This exclusive motor yacht from the renowned Mulder Jachtwerf is known for its exceptional build quality, timeless lines and comfortable cruising characteristics. A ship for the true enthusiast who values style, reliability and craftsmanship.

This Mulder is in exceptional condition and has been maintained and renewed in recent years with great care and attention to detail. In 2026, the hull was professionally blasted and repainted, so the yacht presents itself in a condition that can hardly be distinguished from new. In addition, the yacht has a completely new tent, new paintwork and new upholstery, which ensures a fresh, luxurious look and optimal comfort on board.

The warm classic look of the interior, combined with the beautiful mahogany details and spacious open cockpit, make this yacht especially attractive and inviting. Thanks to the reliable 88 hp Yanmar diesel engine, the ship sails calmly, quietly and extremely comfortably, ideal for relaxed trips on inland waterways and longer vacations on board.

With a headroom of only 2.35 meters and a draught of 90 centimeters, this ship is also excellent for a large sailing area. The bow thruster with remote control makes

maneuvering easy and comfortable, even in smaller ports.

This ship lies protected in a boathouse, which visibly contributes to its exceptionally clean condition. Viewing is possible by appointment only.
