

PRESTIGE 500S

The Prestige 500S combines sportiness, luxury and comfort in a way few motor yachts can match. This stylish coupe is designed for owners who want to uncompromisingly enjoy space, performance and elegance on the water. With her powerful Volvo Penta IPS engines, refined cruising characteristics and high-quality finishes, this Prestige offers a cruising experience of absolute excellence.

This Prestige 500S is also in exceptionally clean condition. The boat comes from the first owners and has always been sheltered in a boathouse, which is immediately visible in its overall condition. The deep blue hull gives the yacht an exclusive and timeless look that perfectly matches Prestige Yachts' modern design.

On board, you immediately experience the comfort and luxury for which this model is so beloved internationally. The spacious saloon with its large windows provides wonderful light and a direct connection to the outside. The sliding door, large sunroof and electric side windows create an open living space that is ideal for long summer days on the water. The modern layout with multiple cabins and comfortable berths makes this yacht perfect for both relaxed weekend trips and longer vacations.

Technically, this Prestige has also been fully maintained. The boat has recently been professionally polished, fitted with new antifouling and all engine checks and IPS service have been performed (May 2026). This means she is completely ready to sail for

the new season. The combination of careful maintenance, high-quality technology and the fact that the boat has always been inside makes this a particularly attractive specimen within the current range.

With the dual Volvo Penta IPS 600 drive system, you will enjoy powerful performance, comfortable maneuvering with dual joystick steering and efficient, stable cruising. The rich onboard equipment - including extensive Raymarine navigation equipment, generator, heating and luxury amenities - underlines the premium character of this Prestige 500S.

Furthermore, for the enthusiast, the boat house in Heeg may be available for acquisition - a unique opportunity to keep this beautiful boat optimally protected in the future.

If you are looking for a sporty and luxurious motor yacht in exceptionally well maintained condition, then this Prestige 500S is definitely worth a viewing. We warmly invite you to come and experience this beautiful ship in Heeg in person.
