

PRIMEUR 710 TENDER

This beautiful Primeur 710 Tender is characterized by its spacious layout and stable sailing characteristics. This boat is propelled by a 40 hp Mercury four-stroke which is located in the rear bunker. This makes the engine invisible and almost no engine noise is audible. Furthermore, the boat is equipped with an electric bow thruster, bimini, electric refrigerator, sound system with bluetooth, spray hood with sloping rear tent and a spacious sun bed.

The sloop comes without trailer but this can be taken over separately.
