RAPSODY 29 FT. OC-F

Available starting September 1, 2026

Are you looking for a motor yacht with classic lines but with the ease of maintenance and reliability of modern technology? Then this Rapsody 29 Ft. OC-F is exactly what you're looking for. The Rapsody has long been renowned as one of the most beautiful and best-built Dutch motor yachts. Thanks to its timeless design by Vripack, high-quality finish, and excellent handling characteristics, this is a yacht that continues to impress both today and will continue to do so for many years to come.

Moreover, this Rapsody is in exceptionally good condition. The boat has been moored in a boathouse every summer and stored in a heated winter storage facility every winter. As a result, the paintwork, woodwork, and technical systems are exceptionally well-preserved. You'll notice this immediately as soon as you step aboard.

The warm combination of the classically painted woodwork, the beautiful teak deck, and the distinctive blue hull gives this Rapsody its recognizable and luxurious appearance. The spacious open cockpit offers plenty of seating comfort for family and friends and is the ideal place to spend long summer days on the water. Thanks to the well-thought-out layout and comfortable accommodations, even a multi-day sailing vacation is no problem at all.

Under the engine compartment lies a quiet 120 pk Volkswagen Marine 5-cylinder diesel engine, which ensures quiet, smooth, and economical performance. Combined with the V-hull and continuous keel, this boat offers excellent course stability and a comfortable ride on both inland waterways and larger bodies of water.

There’s no shortage of comfort either. The boat features, among other things, a stern shower, a hot water system, Webasto forced-air heating, a 2,000-watt inverter, shore power, an electric bow thruster, and a full cockpit cover. This allows you to enjoy optimal comfort on board even outside the boating season or during longer stays.

The combination of Rapsody’s high-quality construction, meticulous maintenance, and comprehensive equipment makes this a particularly attractive vessel for enthusiasts who want to enjoy the water right away without any worries.

Are you looking for a stylish, perfectly maintained, high-quality boat that’s ready for many years of boating pleasure? Then we cordially invite you to come view this beautiful Rapsody 29 Ft. OC-F. You’ll immediately see why this model is one of the most beloved classic motor yachts in the Netherlands.
