

RAPSODY R30

Step aboard this stunning 2009 Rapsody R30 and experience the unique combination of classic elegance and modern cruising comfort. With her powerful Volvo Penta D4 (260 hp) diesel engine, this fast cruising beauty is good for a top speed of 30 knots, making every cruise a pleasure - whether gliding leisurely on the Frisian lakes or sportily cruising on open water.

Rapsody Yachts' craftsmanship is evident in every detail. The hull in deep blue polyester and mahogany windows create an irresistible, stylish look. In the spring of 2025, the mahogany exterior was completely stripped bare and rebuilt with no fewer than 16 coats of varnish - a sign of care, love and perfection. The teak deck and teak salon add a warm, nautical atmosphere.

Inside, you will find a clever layout with a cozy salon that can easily be converted into sleeping quarters. The galley is stylishly finished in mahogany and equipped with everything you need for a comfortable stay on board. Thanks to the Webasto hot-air heater, bow thruster, electric toilet, shower, refrigerator, and 2-burner gas stove, you will enjoy all the comforts you are used to ashore.

This R30 is in excellent condition and is ready for the new sailing season. A perfect opportunity for the enthusiast looking for a sporty classic with modern technology and timeless allure.
