

VALKVLET 1000 OK

Are you looking for a solidly built, comfortable and practical motor yacht? This 2001 Valkvlet 1000 combines the familiar quality of the Valkvlet with excellent cruising characteristics and a smart layout, making her ideal for both day trips and longer vacations on the water.

Powered by a reliable Beta Marine 5-cylinder diesel engine, this vlet offers powerful and quiet performance. Thanks to its shallow draft and low air draft, it is perfectly suited for the extensive Dutch sailing area, from Frisian lakes and canals to rivers and inland waterways.

Inside you will find a comfortable accommodation with one cabin equipped with fine beds, making spending the night on board a pleasure. The wet room with shower provides extra comfort during longer stays on board. In addition, the boat has a well-equipped galley so you can easily prepare meals while underway.

The spacious cockpit is equipped with a fixed, heat-resistant roof, providing shelter and comfort in a variety of weather conditions. A practical sliding roof is located above the helmsman's position, allowing plenty of natural light to enter, allowing you to enjoy an open boating experience on sunny days.
