

VEDETTE CANTIA 31 LAUNCH

Are you looking for a modern, luxuriously finished motor yacht that’s perfect for both relaxing day trips and long voyages? Then this Vedette Cantia 31 Launch “Samsara” is a once-in-a-lifetime opportunity. Built in 2020, this young vessel combines the rugged look of a classic launch with the comfort, high-quality finish, and proven seakeeping qualities for which Vedette Jachtbouw is renowned.

The Cantia 31 Launch is based on the successful Kent design and has been fully modernized by Vedette. The result is an exceptionally stable, true-to-course, and comfortable motor yacht that is perfectly at home on inland waterways, rivers, and larger bodies of water. Thanks to the spacious open cockpit, low silhouette, and smart layout, you’ll experience the ultimate outdoor feeling on every cruise, while below deck you’ll have all the comforts needed to stay on board for several days or even weeks without a care in the world. The high-quality convertible top also significantly extends the boating season and provides shelter for the cockpit in an instant when the weather turns inclement. These features make the Cantia a beloved model among water sports enthusiasts. The combination of a robust hull, excellent stability, and a surprisingly spacious interior makes this boat feel much larger than its dimensions would suggest. The generous gangways, spacious swim platform, and comfortable seating areas make every mooring a delightful spot to enjoy the water. The cabin offers a headroom of no less than 1.90 meters, making even longer stays exceptionally comfortable.

"Samsara" is in excellent condition and has been carefully equipped. The reliable 60 pk Nanni 4.65 diesel engine ensures smooth, quiet, and fuel-efficient performance, while the electric bow thruster makes maneuvering in harbors easy. Thanks to the low clearance height of approximately 2.30 meters, many bridges can be passed under without any problems, putting a large cruising area within easy reach.

Inside, you'll find a tastefully finished interior with a modern wood-grain look. The fully equipped galley features a three-burner gas stove, a refrigerator, and a hot water supply. The comfortable round seating area invites you to enjoy cozy evenings on board, and the sleeping area offers two fixed berths. In addition, the boat features a separate restroom with an electric toilet and shower, making even longer stays particularly pleasant. The boat also features an extra-spacious storage area that can double as a second cabin.

This Cantia is also fully equipped from a technical standpoint. The Raymarine navigation equipment, featuring GPS, a chartplotter, log, depth sounder, and marine radio, provides everything you need for relaxed and safe cruising. Outside, the teak deck, spacious swim platform, swim ladder, electric anchor winch, stainless steel guardrails, and comfortable cockpit cover ensure a complete boating experience.

Are you looking for a modern, low-maintenance, and stylish motor yacht with a timeless design, high-quality finish, and excellent sailing characteristics? Then this Vedette Cantia 31 Launch "Samsara" definitely deserves your attention.
