

WESTER ENGH 810 CLASSIC

Experience the charm of classic craftsmanship combined with modern comfort aboard this beautiful Wester Engh 810 Classic 'Bojangles'. This sloop exudes style and quality - from the elegant round-bilge hull to the warm, classic interior finish. An ideal choice for those who want to sail leisurely at leisure, but do not want to compromise on appearance and reliability.

The 33 hp Vetus diesel engine provides powerful and quiet propulsion, while the electric bow thruster makes maneuvering child's play. Thanks to annual engine maintenance and new batteries (2023), this sloop is technically in excellent condition. The exterior was completely repainted in 2023.

Comfort has also been considered: an Ebersp??cher hot-air heater keeps things comfortable on board, and the electric refrigerator ensures that drinks are always cool. The spacious cockpit with comfortable blue cushions and stylish brass fittings details make every boating trip a pleasure.

In the bow there is a spacious round seat that can easily be closed into a generous sun bed. Here you can relax in the sun, but also spend the night comfortably on board - ideal for a weekend getaway or a spontaneous night on the water.

The 'Bojangles' is visibly lovingly maintained - from the new cable fender (2018) to the meticulously maintained teak decks and the complete package with Stazo eye rope and

padlock. Step aboard and feel immediately that this is no ordinary sloop, but a classic with character.
